

Chad Nech

Experience

Website Technician, Wiggins Auctioneers, LLC.

November 2006 to April 2008, Enid, OK

Performed daily maintenance, performed SEO, added additional functionality, developed Web 2.0 graphics. I increased website traffic by 40% which amounted to approx. 5,000 visits per month. This led to the website becoming the #1 authority in the state for their niche.

Senior Designer and Developer, Nechstar.

November 2006 to Present, Enid, OK

Starting late in '06 I started a fledgling web design business that now rivals the top 5 design companies in all of Oklahoma including Element Fusion, Oklahoma Web Design, Dustin Brewer, and Back 40.

President, Enid Web Design.

December 2009 to Present, Enid, OK

EWD was developed under the Nechstar umbrella for the specific purpose of targeting all of the design, hosting, and SEO for the local Enid, OK business market. It is now the premier web design site in all of Northwest Oklahoma.

VP Marketing, Mojo Marketing.

January 2010 to Present, Houston, TX

Having quietly dominated the entire state of Oklahoma for web design, I teamed up with one of the very best strategic marketing consultants in the country, Mojo Marketing. This should allow me to become an SEO Samurai!
